WITHOUT A DEPOSIT

Purchase when returning the old part, we will ship the goods after you deliver the old catalytic converter. The delivered part must be complete, original, marked with OE number, and must not have mechanical damage and signs of tampering. We do not accept cash on delivery.

We offer a catalytic converter regeneration service, i.e. replacement of inserts with new ones. The cartridges used meet EURO 6 emission standards and effectively remove the error of low efficiency of the catalyst. The metal-core cartridges used are much more durable than the original ceramic ones and perfectly reflect the original capacity, guaranteeing optimal engine power.
