

Regenerated Catalytic Converter for Opel Insignia B Z18 2.0, Grand Sport, Tourer

Product codes:

Reference: REG/55515134

EAN13: -

Product features:

Cartridge material: Metal - type S
Producer: OE
Engine capacity: 2.0 Turbo
Year of production: 2020-2022 EURO 6
Horsepower: 200, 230 HP
OE number: 55515134
Product type: Regenerated
Engine code: F20SHL, F20SHT
Warranty: 12 months

Product attributes:

euro standard: Euro 6
Deposit: With the return of the old part

Product description:**WITH THE RETURN OF THE OLD PART**

Purchase with the return of the old part - we ship the goods after the delivery of the old catalytic converter. The part must be complete, original, marked with the OE number and have no mechanical damage or signs of tampering.

If you are not sure if the catalytic converter fits your car, contact us via [contact form](#) and provide the VIN number, which will speed up an accurate verification.

Catalyst regeneration involves replacing the worn-out cartridge with a new metal one, restoring full efficiency of the system and meeting EURO 6 emission standards. The regeneration process uses high-quality metal cartridges with a capacity of 600 cpsi, corresponding to the parameters of the original. Thanks to the cartridges used, no errors appear in the engine controller. In rare cases, however, it may be necessary to manually clear the error using computer diagnostics, which is normal procedure after replacing exhaust system components.
