

Regenerowany filtr DPF MAN TGL TGM Euro 6 w powłoce ceramicznej

Product codes:

Reference: DPF-MAN001

EAN13: -

Product features:

Cartridge material: Ceramic
Producer: OE
Engine capacity: 4.6 / 6.9
Year of production: 2014-
Horsepower: 160, 190, 220, 250 HP
OE number: 81.15103.0113, 81-15103-0113,
81.15103.9123, 81-15103-9123.
Product type: New
Engine code: D0834
Warranty: 12 months

Product attributes:**Product description:****WITH DEPOSIT**

Purchase without returning the old part – the item is shipped immediately. You can return your old catalytic converter within 30 days from the date of purchase and receive a deposit refund. The returned unit must be complete, original, marked with the OE number, and free from mechanical damage or signs of tampering. We do not accept cash-on-delivery (COD) shipments when returning the old catalytic converter.

WITHOUT DEPOSIT

Purchase with return of the old part – the item is shipped after we receive the old catalytic converter. The unit must be complete, original, marked with the OE number, and free from mechanical damage or signs of tampering. We do not accept cash-on-delivery (COD) shipments.

DPF filter regeneration involves replacing the worn cartridge with a new ceramic one, which restores the system to full efficiency and ensures compliance with emission standards. The outer ceramic coating in the original, regenerated filter guarantees high temperature resistance and protects against damage, while providing optimal conditions for effective particulate filtration. As a result, exhaust gases are cleaned more effectively and the exhaust system operates more efficiently.
