

Universal cordierite RFC DPF filter element

Product codes:

Reference: KS2DPF002-1

EAN13: -

Product features:

Cartridge material: Cordierite
Producer: RFC
Application: Diesel

Product attributes:

Inlet diameter: 249 mm
Insert length: 305 mm
Capacity (cpsi): 200

Product description:

Universal DPF filter with cordierite cartridge, ideal for a wide range of diesel vehicles. Its ceramic construction provides high thermal and mechanical resistance, guaranteeing durability and reliable performance. The metal housing guarantees easier installation in the original DPF filter.

Manufacturer's warranty: 12 months or 50,000 km.
