

Remanufactured catalytic converter Aston Martin DB7 Vantage 5.9L

Product codes:

Reference: REG/35121268AC

EAN13: -

Product features:

Cartridge material: Metal
Producer: OE
Engine capacity: 5.9
Year of production: 1999–2004 EURO 5
Horsepower: 420 HP
OE number: 35-121268-AC, 35-121269-AC
Product type: Regenerated
Engine code: AM2
Warranty: 12 months

Product attributes:

euro standard: Euro 5
Deposit: With the return of the old part

Product description:**WITH TRADE-IN OF OLD PART**

Purchase with trade-in of old part – we ship the item after receiving the old catalytic converter. The part must be complete, original, marked with an OE number, and free of mechanical damage or signs of tampering.

If you're not sure whether the catalytic converter fits your car, contact us via [contact form](#) and provide your VIN number, which will speed up the verification process.

Catalytic converter regeneration involves replacing the worn-out insert with a new metal one, restoring the system to full efficiency and meeting EURO 5 emissions standards. The regeneration process uses high-quality metal inserts with flow rates of 400 and 500 cpsi, matching the original specifications. Thanks to these inserts, no errors occur in the engine control unit. In rare cases, however, it may be necessary to manually clear the error using computer diagnostics, which is a standard procedure after replacing exhaust system components.
