

Reconditioned catalytic converter VOLVO V60 3.0 T6 2011–2016

Product codes:

Reference: REG-VOLVO004

EAN13: -

Product features:

Product attributes:

Cartridge material: Metal

Producer: OE

Engine capacity: 3.0

Year of production: 2011–2016

Horsepower: 304 HP OE number: 36002708 Product type: Regenerated Engine code: B6304TX Warranty: 12 months

Product description:

WITH DEPOSIT

Purchase without returning the old part - we ship the goods immediately. You can return your old catalytic converter within 30 days of purchase and receive a refund of your deposit. The delivered item must be complete, original, marked with the OE number and must be free of mechanical damage and signs of tampering.

WITHOUT A DEPOSIT

Purchase with passing the old part, we ship the goods after you deliver your old catalytic converter. The delivered part must be complete, original, marked with the OE number and must not have mechanical damage and traces of tampering.

We offer a catalytic converter regeneration service by replacing only the front insert with a new one. If the rear catalytic converter insert is in good condition and does not need to be replaced, it remains intact. The insert used meets emission standards and effectively eliminates the low catalyst efficiency error. The metal core insert is much more durable than the original ceramic one, and the density of 400 cpsi accurately reflects the factory throughput, ensuring optimal engine power.
