# Regenerated catalytic converter VOLVO V90 Cross Country 2017-2022

**Product codes:**

Reference: REG-VOLVO005

EAN13: -

---

**Product features:**

Cartridge material: Metal  
Producer: OE  
Engine capacity: 2.0  
Year of production: 2017-2022  
Horsepower: 163, 197, 249, 250, 254, 310, 320, 341  
HP  
OE number: 31697451, 31439545, 36012665,  
31439599  
Product type: Regenerated  
Engine code: B4204T20, B4204T23, B4204T26,  
B4204T27  
Warranty: 12 months

**Product attributes:****Product description:****WITH DEPOSIT**

Purchase without returning the old part - we ship the goods immediately. You can return your old catalytic converter within 30 days of purchase and receive a refund of your deposit. The delivered item must be complete, original, marked with the OE number and must be free of mechanical damage and signs of tampering.

**WITHOUT A DEPOSIT**

Purchase with passing the old part, we ship the goods after you deliver your old catalytic converter. The delivered part must be complete, original, marked with the OE number and must not have mechanical damage and traces of tampering.

**We offer a catalytic converter regeneration service, which involves replacing the insert with a new one. The insert used meets EURO 6 emission standards and effectively eliminates the low catalytic converter efficiency error. The metal core insert is much more durable than the original ceramic ones, and the density of 600 cpsi accurately reflects the factory throughput, ensuring optimal engine power.**

**If the reconditioned catalytic converter has an intact, original rear core, only the front core is replaced — as it is the component responsible for triggering the catalytic converter error. The rear section remains unchanged, provided it is complete and free from mechanical damage. When purchasing with a deposit, the returned old catalytic converter must have the rear core in an undamaged condition — without cracks, missing parts, or any other defects. If the rear core is found to be damaged, the deposit may be reduced or withheld, depending on the extent of the damage.**
