

Regenerated catalyst for Kia Rio IV 1.0 T-GDI 2017-2020

Product codes:

Reference: REG-KIA019

EAN13: -

Product features:

Cartridge material: Metal - type S
Producer: OE
Engine capacity: 1.0 T-GDI
Year of production: 2017-2020
Horsepower: 120 HP
OE number: 2853004HC0, 28530 04HC0,
28530-04HC0, 04HC0
Product type: Regenerated
Engine code: G3LC
Warranty: 12 months

Product attributes:**Product description:****WITH DEPOSIT**

Purchase without returning the old part – the item is shipped immediately. You can return your old catalytic converter within 30 days from the date of purchase and receive a deposit refund. The returned unit must be complete, original, marked with the OE number, and free from mechanical damage or signs of tampering. We do not accept cash-on-delivery (COD) shipments when returning the old catalytic converter.

WITHOUT DEPOSIT

Purchase with return of the old part – the item is shipped after we receive the old catalytic converter. The unit must be complete, original, marked with the OE number, and free from mechanical damage or signs of tampering. We do not accept cash-on-delivery (COD) shipments.

The catalytic converter regeneration process involves replacing the worn-out core with a new metallic one, restoring full system performance and meeting EURO 6 emission standards. During regeneration, high-quality 600 cpsi metal cores are used, matching the parameters of the original part. Thanks to the applied cores, no error codes appear in the engine control unit. In rare cases, a manual error reset using diagnostic equipment may be necessary, which is a normal procedure after replacing exhaust system components.
