# Regenerated catalytic converter Yamaha Tenere 700 2021-2024

**Product codes:**

Reference: REG-TENERE700/002

EAN13: -

---

**Product features:**

Cartridge material: Metal  
Producer: OE  
Engine capacity: 700 cm<sup>3</sup>  
Year of production: 2021-2024  
Horsepower: 73 HP  
OE number: 90798-34500-02 / 90798-34502  
Product type: Regenerated  
Warranty: 12 months  
Body code: DM071 / DM081

**Product attributes:****Product description:****WITH DEPOSIT**

Purchase without returning the old part – the item is shipped immediately. You can return your old catalytic converter within 30 days from the date of purchase and receive a deposit refund. The returned unit must be complete, original, marked with the OE number, and free from mechanical damage or signs of tampering. We do not accept cash-on-delivery (COD) shipments when returning the old catalytic converter.

**WITHOUT DEPOSIT**

Purchase with return of the old part – the item is shipped after we receive the old catalytic converter. The unit must be complete, original, marked with the OE number, and free from mechanical damage or signs of tampering. We do not accept cash-on-delivery (COD) shipments.

**Catalytic converter regeneration involves replacing the used core with a new metallic one, restoring full functionality of the system and meeting EURO 5 emission standards.**

To ensure that the catalytic converter meets the required standards, we use EURO 5 inserts. Sports inserts with 200 cpsi have a less dense mesh and therefore a smaller active surface area, which is why the EURO 5 standard is not excessive here and allows the differences between the catalytic surface area of 200 and 400 cpsi to be compensated for. On the other hand, the increased throughput of 200 cpsi can be felt immediately on the wheel :-)

Our offer for the Yamaha Tenere 700 2019-2020 allows you to keep the original exhaust pipe. You don't have to buy an additional part – we modify your current one, so you don't pollute the environment and at the same time you can be sure that your motorcycle will pass technical inspection and roadside checks, even abroad.
